

## JAMIE M. KNEITEL

Department of Biological Sciences  
California State University, Sacramento  
Sacramento, CA 95819-6077  
T: 916.278.3633  
Email: kneitel@csus.edu  
Web: <http://kneitel.weebly.com>

### PROFILE

My research interests focus on understanding the consequences of spatial and temporal environmental heterogeneity on species diversity and ecosystem functioning in seasonal wetlands, including vernal pools and rock pools. This research also encompasses food webs, metacommunities, spatiotemporal linkages, eutrophication, species invasions, and disturbance ecology. Courses taught include General Ecology, Population and Community Ecology, Quantitative Methods in Biology, and Introduction to Scientific Analysis.

### EDUCATION

**Ph.D.** Florida State University (2002) Biology  
**M.Sc.** California State University, Northridge (1997) Biology  
**B.A.** University of California, Santa Cruz (1992) Biology

### PROFESSIONAL EXPERIENCE

**Professor** (2015 - present) Department of Biological Sciences, CSU- Sacramento  
**Fulbright Scholar** (2017 - 2018) Department of Evolutionary & Environmental Biology, University of Haifa (Israel)  
**Assistant Chair** (Spring 2017) Department of Biological Sciences, CSU- Sacramento  
**Graduate Coordinator** (2012 - 2017) Department of Biological Sciences, CSU- Sacramento  
**Associate Professor** (2010 - 2015) Department of Biological Sciences, CSU- Sacramento  
**Assistant Professor** (2004 - 2010) Department of Biological Sciences, CSU- Sacramento  
**Tyson Postdoctoral Fellow** (2002 - 2004) Department of Biology, Washington University St. Louis

## MISCELLANEOUS TALKS

- Latitudinal patterns of alpha, beta, and gamma diversity in California vernal pools*. United States Fish and Wildlife Service, Sacramento Office, December 2014
- Carnies and Vampires, or how I learned to stop worrying and love the alternative lifestyles of plants*, California Native Plant Society (Sacramento Valley Chapter) Monthly Meeting, October 2014
- The Ecology of California vernal pools*, The Renaissance Society, Sacramento, 2014
- A Drop in the Bucket: Vernal Pool Ecology and Conservation Implications*, Sierra College Natural History Museum, 2013.
- The ecology of California vernal pools: threats and conservation implications*. NatureBridge, Golden Gate National Park, CA 2013.
- Vernal pool threats, or how I learned to stop worrying and love the buckets*. The Wildlife Society Brown Bag Seminar Series, Sacramento, CA 2012.
- Eutrophication in California vernal pools*. CSUS Celebration of Research and Creative Activity Symposium, 2010.
- Vernal pools at local and regional scales: new insights and conservation implications*. California Environmental Protection Agency, Sacramento, CA, 2008.
- The spatial ecology of vernal pools*. Ecological and Environmental Issues Seminar. California State University, Sacramento, 2007, 2008.
- Ecosystem Management*. Pacific Forest Institute, Sierra Nevada, CA, 2007.
- Ecosystems*. Pacific Forest Institute, Sierra Nevada, CA, 2006.
- Species diversity in space and time, or how I learned to stop worrying and love the niche*. College of Natural

Sciences and Mathematics Winter Retreat, 2006.  
*The ecology, evolution, and conservation of carnivorous plants.* Ecological and Environmental Issues Seminar, California State University, Sacramento, 2005, 2006.  
*The ecology, evolution, and conservation of carnivorous plants.* Sacramento Bromeliad and Carnivorous Plant Society Meeting, 2005.  
*The relevance of the metacommunity concept to conservation: is there a new kid in town?* Ecological and Environmental Issues Seminar, California State University, Sacramento, 2004.  
*Treeholes of Tyson: subtle, shy, and bloody,* Friends of Tyson Monthly Meeting, Tyson Research Center, 2003.

## AWARDS AND HONORS

“Best” Sabbatical Leave Proposal, CSUS Professional Leave Committee 2010, 2017  
CSU-COAST Grant Development Program (2017-18): *Chemical tracers of human activities and ecological associations in California vernal pools*  
Sacramento State’s 2017 University Award for Research, Scholarship, and Creative Activity for Senior Faculty  
Fulbright Scholar (2017-2018) University of Haifa (Israel)  
Bureau of Reclamation/US Fish & Wildlife Service Central Valley Project Conservation Program: *Longhorn Fairy Shrimp (Branchinecta longiantenna) Habitat Research in Contra Costa and Alameda Counties, California* (2016-19)  
National Science Foundation RUI: *Spatial and Temporal Subsidies in Seasonal Environments* (2014-16)  
CSUS College of Natural Sciences and Mathematics Outstanding Scholarship Award (2013-14)  
CSUS Provost Research Fellow (2013-14)  
CSUS-UEI Faculty Grant (2013)  
Faculty Promotion Development Funds (2012-2013)  
CSUS Research and Creative Activity Award Program (2011-2012): *Climate change effects on California vernal pools*  
East Bay Regional Park District (2009-present): *Branchiopoda associations in rock pools*  
California State University Program for Education and Research in Biotechnology (CSUPERB; 2010-2011) Co-PI with Enid Gonzalez: *Metagenomic and metabolic study of bacteria in California vernal pools*  
CSUS Research and Creative Activity Capstone Award 2010  
United States Department of Defense Environmental Security Technology Certification Program (ESTCP) (2009-2014): *Implementation of technology to measure hydrological functioning of vernal pool wetlands and their watersheds for use with base-wide evaluation of project impacts, regulatory permitting, and future mitigation through habitat restoration* (Contractor and contributed methodology)  
CSUS Probationary Faculty Development Grant (Spring 2010): *The Effects of Eutrophication in the California Vernal Pool Ecosystem*  
CSUS Department of Biological Sciences Goethe Fund (2009-10) PI with Enid Gonzalez: *Functional and Genetic Diversity Analysis of Bacterial Populations in California Vernal Pools*  
CSUS College of Natural Sciences and Mathematics, Summer Undergraduate Research Experience (SURE) Program (Summer 2009): *3 funded projects*  
CSUS STEM (Science, Technology, Engineering, and Mathematics) Faculty Fellowship (2008-9): *The Spatial Ecology and Ecosystem Functioning of Vernal Pools: Integrating Research into Undergraduate Education.*  
CSUS Research and Creative Activity Award Program (2008-9): *Keystone Predation in Sub-Alpine Meadow Communities? Indirect Effects of a Specialist Herbivore on Plant Biodiversity*

CSUS College of Natural Sciences and Mathematics Project Grant (Summer 2008): *Testing Island Biogeography in Sub-Alpine Meadows: Do Invading Trees Facilitate the Invasion of Forest Species in Meadows?*

United States Department of Agriculture- Forest Service (2006-7): *Restoration of sub-alpine meadows in Eldorado National Forest, CA*

CSUS Department of Biological Sciences Goethe Fund (2005-6): *Spatial and temporal patterns of invertebrate biodiversity in Darlingtonia californica inquiline communities*

ArtSci Council Faculty Award (Nominee), Washington University in St. Louis, 2004

Magaret Menzel Endowed Award (for outstanding graduate student), Florida State University, 2002

Department of Biological Science Faculty Publication Award (for best student publication), Florida State University, 2001-2

Office for Graduate Studies, Research and International Programs Graduate Fellowship, California State University, Northridge, 1996

Office for Graduate Studies, Research and International Programs Research Grant, California State University, Northridge, 1995

California State University, Northridge, University Fee Waiver, 1995

## **WORKSHOP/WORKING GROUP PARTICIPANT**

Sustainable Interdisciplinary Research to Inspire Undergraduate Success (SIRIUS) 2014 - present

California State University Water Resources and Policy Initiatives (WRPI) Conferences, 2009, 2010

Living in the KnowlEdge Society (LIKES) Workshop, Villanova University, 2009

Ecological Society of America's Faculty Development Workshop: *Using Continental-Scale Data to Teach Undergraduate Ecology*, Washington D.C., 2008

Science Environment for Ecological Knowledge (SEEK): *Early Career Faculty and Postdoctoral Training in Ecoinformatics*, University of New Mexico, 2005

National Science Foundation Biocomplexity-Incubation Activity (A. Ellison, N. Gotelli, T. Miller, PIs): *A Synthetic Approach to Phytotelmata Communities* Workshop, Wakulla Springs, FL, 2001

## **STUDENTS ADVISED**

### **Current Graduate students (Master's Candidates, CSUS)**

Terry Adelsbach, Rebekah Bergkoetter, Kharla Chavez-Kendall, Erin Ferguson (co-advised with Rob Titus), Angela Haas (co-advised with Sara Kross), Peter Harman, Randall Kido, Kevin Marr, Christine Mellon, Robin Shin, Ian Yates

### **Current Undergraduate students**

None presently

### **Former Graduate Students**

#### Graduated 2015

Jessica Alexander: *Pollination ecology in vernal pools*

Lindsey Peterson: *Invasive species management in vernal pools*

#### Graduated 2014

Russell Croel: *Tadpole shrimp bioturbation*

#### Graduated 2013

Andrea Graffis: *Cuscuta ecology in vernal pools*

Ian Anderson: *Anuran effects in vernal pools*

Michael Cardwell: *Rattlesnake ecology*

Dana Carper (co-advised with Enid Gonzalez): *Bacterial diversity in vernal pools*

### Graduated 2011

Angela Calderaro: *Connectivity and water quality effects on California vernal pools*

Heather Stiles: *The role of vegetation in eutrophication of California vernal pools*

Katherine Marquez: *Connectivity of urban coyote populations to surrounding rural populations*

### Graduated 2010

Elif Fehm-Sullivan: *Fish community ecology in Mediterranean climate biomes*

Chris Carr: *Insect species diversity in sub-alpine meadow metacommunities*

Emily Kachorek: *An analysis of the integrated conservation and development paradigm: a case study from Guyana*

Carrie Lessin: *Nutrient effects in California vernal pools*

### Graduated 2009

Kevin Aceituno: *Mercury bioaccumulation in San Francisco Bay*

Sarah Estrella: *Community response to invasive plant removal (Lepidium latifolium at Suisun Marsh)*

### Graduated 2008

Marcus Yee : *Evaluating and mitigating avian collisions with distribution power lines at Cosumnes River Preserve.*

Michelle D. Beachley (co-advised with Sharon Lawler, UC Davis): *Pesticide effects on non-target terrestrial insect populations.*

Clara Matallana (Fullbright Scholar): *Use of systematic site selection to design a marine reserve network along Oregon's coast.*

Katy Washburn: *Habitat characteristics and community composition changes associated with the New Zealand Mudsail invasion of the lower Mokelumne River, California*

### Graduated 2007

Zach Simmons: *Bird and mammal resource use sub-alpine meadow microhabitats*

Ryan Henning: *Nest success of urban waterfowl using artificial "ben house<sup>m</sup>" structures*

### **Former Undergraduate Students**

CSUS: Alyssa Nerida, Luis Rosas, Trisha Velasquez, Nestor Samiylenko, Lisa Calhoun (STAR Research Fellow 2015), Korena Hendryx (STAR Research Fellow 2014, 2015), Katelyn Oxford, Mariah Thomas, Christine McNally; Alison Furler; Candace Aguilar; Amber Easterwood; Russell Croel (SURE Grant Recipient 2009 and 2010); Jim Alford (SURE Grant Recipient 2009); Jennifer Rossiter (SURE Grant Recipient 2008, 2009); Mike Memeo (Summer 2008); Kasie Barnes (2007- 8); David McNabb (Summer 2006); Demetrius Mayberry (CSUS Science Educational Equity Program's Summer Scholar Summer 2006); Aaron Langenbeck (Honors Research 2005-6); Demetrius Mayberry (CSUS-Los Rios Science Transfer Project Fellow Summer 2005); Amy Harris, (Spring 2005)

Washington University: Crystal Yates-White (Washington University Linnette Environmental Research Fellow, Summer 2004 (co-advised with Jon Chase); Daniel Perrault (Senior Honors Thesis,

Washington University in St. Louis, 2003 - 4) **Winner of the Department of Biology's 2004 Spector Prize for Outstanding Undergraduate Research and Honors Thesis;** Chris Liang (Tyson Undergraduate Research Fellow, Washington University in St. Louis, Summer 2003);

Mentor: 9 other undergraduate researchers 2002 – 2004

### **Supervisory Committee Member:**

*Master's Thesis Committee, California State University, Sacramento*

**Current:** 3

**Graduated:** 31

### **CURRENT COLLABORATIONS**

Andres Aguilar (CSU- Los Angeles): *Vernal pool community ecology*

Doug Bell (East Bay Regional Park District): *Ecology of Branchinecta longiantenna*  
Sharon Kay Collinge (University of Colorado): *California vernal pool ecosystem ecology*  
Enid Gonzalez (CSU Sacramento): *Metagenomic and metabolic study of bacteria in California vernal pools*  
Justin Miller-Schulze (CSU Sacramento): *Tracer elements in California vernal pools*  
Donald Yee (University of Southern Mississippi): *Geographical variation in treehole community composition*

## REVIEWS

**Editorial Board Member:** *Oecologia* (2013 – present); *Limnology* (2017 – present)

**Journal Articles:** *American Naturalist* (6), *Annals of Forest Science*, *Aquatic Ecology*, *Aquatic Sciences*, *Biological Journal of the Linnean Society*, *Canadian Journal of Zoology*, *Community Ecology* (3), *Diversity and Distributions*, *Ecography* (2), *Ecological Entomology*, *Ecology* (8), *Ecology Letters* (13), *Freshwater Science*, *Functional Ecology*, *Hydrobiologia*, *Israel Journal of Ecology and Evolution* (2), *Journal of Animal Ecology* (7), *ISRN Ecology* (5), *Journal of Medical Entomology*, *Journal of Applied Ecology* (2), *Journal of Vector Ecology*, *Natural Areas Journal*, *Nature Education*, *Nature Scientific Reports*, *Oecologia* (14), *Oikos* (6), *PLoS ONE* (2), *Philosophical Transactions B*, *Proceedings of the Royal Society B* (2), *Quarterly Review of Biology*

**Grant Proposals:** National Science Foundation (14), United States Department of Agriculture, Netherlands Organization for Scientific Research (2), South Africa's National Research Foundation (2), Austrian Science Fund, U.S.-Israel Binational Science Foundation, California State University, Sacramento Research and Creative Activities Grant Program, National Geographic Society, The Research Foundation – Flanders (FWO)(5), Fulbright Scholars Program

**Books and Book Chapters (Ecology and Conservation Biology):** Roberts and Company Publishers, Benjamin Cummings, McGraw-Hill, Elsevier, Blackwell Publishing, University of Chicago Press, Holt, Reinhart and Winston, W. H. Freeman & Company, John Wiley & Sons, Oxford University Press, Waveland Press

**Panel Member:** National Science Foundation, Division of Environmental Biology- Ecological Biology Cluster, 2006-2009, 2014

## SERVICE

**Board Member (previous):**

*Mather Stewardship Committee, Climate Cents, Hima Mesopotamia*

**Tenure and Promotion Outside Reviewer:** 3 Universities

**Conference:**

Session Presider, Ecological Society of America's Annual Meeting 2015, Baltimore, MD  
Session Organizer, Ecological Society of America's Annual Meeting 2014, Sacramento, CA  
Session Presider, Ecological Society of America's Annual Meeting 2014, Sacramento, CA  
Session Presider, Ecological Society of America's Annual Meeting 2013, Minneapolis, MN  
CSUS Water Resource and Policy Initiative Conference Organizing Committee, 2013  
Symposium Organizer with M. Stevens, T. Horner and D. Kelly. *Hima Mesopotamia: Restoring the ancient system of story, place and culture in the Tigris Euphrates Watershed*, EcoSummit 2012, Columbus, OH  
Session Presider, Ecological Society of America's Annual Meeting 2009, Albuquerque, NM

### **CSUS University Committees:**

CSUS Graduate Education Task Force (2017)

CSUS Graduate Council (2016 -2017)

Juror for the California State University, Sacramento Student Research Competition, 2005, 2007, 2016, 2017

Biology representative, Organizing committee, Ecology-Geology Colloquium Series

*Chair*, College of Natural Sciences and Mathematics Undergraduate/Graduate Research Symposium Committee

Chancellor's Office/Council for Undergraduate Research (CUR)/CSUS Committee to Institutionalize Undergraduate Research

CSUS Faculty Hearing Committee

California State University, Sacramento Representative to the California State University Biodiversity, Field Sites, and Conservation Committee

### **CSUS Department of Biological Sciences:**

*Committees:* Graduate, Budget/Equipment/Space, Website (Information Technology), Library, Motor Pool, Executive, Scholarship

*Committee Chair*, Animal Conservation Biologist Search Committee, Fall 2006

Biology Minor Advisor

Department Organizer:

- Department of Biological Sciences Seminar Series (2006-2008)
- Ecology, Evolution, and Conservation (EEC) Journal Club (2006 - present)
- EEC Job/Internship/Graduate School Listserv (2006 – present)

### **K-12 Science Service:**

Career Day (Professor career and ecological research), 7<sup>th</sup> grade science classes, Winston Churchill Middle School

*Plant Adaptations*, 7<sup>th</sup> grade science classes, Winston Churchill Middle School

Science Olympiad Coach (Winston Churchill Middle School Team, 2014 - present): Ecology, Invasive species, Bio-processes, and presentations on: experimental design, aquatic ecology, sampling techniques, and invertebrate identification

Del Paso Manor Elementary School (2013): 6<sup>th</sup> Grade Science Day, *Carnivorous plants*, *Insect behavior*, *Coral Reefs* activities

Del Paso Manor Elementary School (2010-13): *Insects*, *Amphibians*, and *Snakes*, *Carnivorous Plants*, *Animal Adaptations*

Nature Bowl Coach, Del Paso Manor Elementary School (2010-13)

Shalom School Walkathon Charity Event (2008): *Ecology*, *food webs*, and *predator morphology*

Starr King Elementary School- The Lights On Celebration (2007): *Predator plants and the prey they eat*

Deterding Elementary School (2007): *Carnivorous plants and Insects*; *Spiders*; *Reptiles* (Brides Program)

Phoebe Hearst Elementary School (2006): *Carnivorous plants and Insects*

Shalom School (2005 – 2009): *Carnivorous plants*, *Insects*, *Amphibians*, *Snakes*, and *Playful plants*

Coordinated Workshop at Expanding Your Horizons Conference. *The secret world of carnivorous plants*.

California State University, Sacramento 2007, 2008

### **MEMBERSHIP**

Ecological Society of America (1995 – present)

American Society of Naturalists (1998 – present)

Society of Freshwater Science (2016 – present)  
Union of Concerned Scientists (2004 - present)
